McNARY &amp; GAINES, Proprietors.

Office at Dayton, Ohio, except during the active shipping season, when telegrams and letters should be addressed to Xenia, Ohio.

The stock herein offered is all of superior quality, carefully handled and strictly graded. We grow for the wholesale trade—that is our business. We understand its requirements, we strive to please, and guarantee a satisfactory deal.

While we exercise the greatest diligence and care to have all our trees, etc., true to name, and hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove untrue to label, free of charge, or refund the amount paid, it is mutually understood and agreed to, between the purchaser and ourselves, that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for said trees, etc., that prove untrue.

Purchasers of known responsibility will be granted the usual credit, and supplied at the "exclusive of packing" prices; boxes and bales charged extra. The specially favorable "packed for cash" prices, which include the cost of boxes or bales, will be allowed only when the full amount is received previous to shipment.
